

PAST MSNO PRESIDENT ROBERT DUFF PASSES AWAY

Bob and Diane Duff at May 2000
MSNO meeting.

Long time MSNO member Robert Duff passed away on June 10, 2010 after a lengthy illness. He was 80. He retired from the Cleveland office of BP Research in 1993 and had been active in MSNO during his retirement until relatively recently.

Bob served in numerous roles within MSNO. He was Trustee from 1981-84 and again from 1991-94. He served as President in 1985-86, 1991-92, and 1995-96. Bob was also treasurer for the Local Arrangements Committee that brought the M&M 97 meeting in Cleveland, OH. He had been a member for many years of other organizations such as the Microscopy Society of America and the American Chemical Society.

He was a good mentor, leader, colleague, and friend. He touched the lives of countless people and he will be sorely missed. The family is planning a memorial service later in the summer. Cards of condolence can be sent to his wife Diane Duff at their home. For more information, please contact jkillius@neo.rr.com
